WORK EXPERIENCE

Polytropic Pvt Ltd
Frontend Developer
16/12/2022 - 14/01/2023
Job responsibilities:

- my responsibilities as a frontend developer include designing and building web applications and websites using HTML, CSS, and JavaScript, with a focus on creating responsive and visually appealing user interfaces. I have leverage React for dynamic interfaces, ensure cross-browser compatibility, prioritize responsive design, and collaborate with UX professionals to enhance user experiences
